THEME— FOR ALL FOREVER

No matter who you are ... no matter where you're from ... no matter how good you think you are ... or how bad ... the gospel is still for you ... FOR ALL FOREVER.

Jesus brings the gospel to all and MIX wants to do the same. In 2021, we will look at several stories of people who encounter Jesus Christ in John's gospel. From the religious elite to the socially outcast Jesus brings the good news of the gospel to all. Join us as we explore the Jesus whose grace, love and atoning sacrifice is FOR ALL FOREVER.

BIG SUMMER GIVE

Every summer, the Next Gen ministries across Pathway Church raise money for a good cause called the "Big Summer Give." This year we're raising funds to help support our mission partner – AIM (Agape International Missions). They are working to end human trafficking in Cambodia & soon Belize. To date, they have rescued 1500 survivors & strive to rescue, restore & reintegrate survivors through Christ's love and the Gospel. At MIX, leftover canteen money will be going towards the Big Summer Give & we'll be sharing the stories & mission of AIM to the students each day. Students will be encouraged to bring a little extra cash with them to MIX so that they can be a part of the Big Summer Give.

CANTEEN & ÆFFECT STORE

MIX has it's own shop at camp called the Æffect Store. This is separate from the New Life Ranch canteen and as such, canteen funds can't be used towards purchases at the Æffect Store. If your student wishes to buy shirts, books, or any other resources and apparel from MIX, they will need to bring cash.
