MAKING IT PERSONAL

Tom Doyle, our guest speaker, shared that more Muslims have come to faith in the last 20 years than in the last 1,250 years. Additional information on Muslims:

- They live mostly in North Africa, The Middle East, and Indonesia.
 - They believe in one god named Allah and that Muhammad was his final prophet.
 - They believe if the good done in life outweighs the bad deeds when they die they go to paradise.
 - They respect Jesus as a good prophet but do not believe he is God.
 - Muslims represent over 1.3 billion unreached people.
 - There are six workers for every one million Muslims.
1. What is your reaction to this last statistic? *(There are six workers—i.e. Christian missionaries—for every one million Muslims.)*
 2. Do you know of any Muslims or those of different faiths, (i.e. Buddhists, Mormons) living in your Wichita community? Share with your Home Team members.
 3. If yes, have you started to build a relationship with them? Share with the group. If no, what might be a good next step? Share ways that may help you take that next step.
