

# Everyone Walks with Someone

## Who Is In My Zone?

Write the names of individuals or families next to the figures below.

1. Who do you know that hasn't experienced new life in Jesus and is not a part of our church family?
2. Who has attended our church in the past, but hasn't attended recently?

People from: Work, School, Friends, Neighbors, Teams, Family, etc.

Use this as your list of those you can walk with:

Put this list where you can see it every day (or take a picture and keep it in your phone)

Pray for those on your list personally

Ask God to open doors of conversation

Invite them to church or your Home Team.

Actively reach out to them and seek, serve, share with them.
