

FUSE

Kids entering K through 5th grades in the fall of 2024 have an awesome opportunity to learn more about God's love June 17th-21st at our redesigned elementary camp, FUSE! We will sing, dance, play games, learn Bible lessons from large group teaching, and have a chance to discuss how it applies to our lives during small group time. Invite a friend and join us for an action-packed week at Pathway Church!

Expect these things from FUSE:

- High-energy teaching & worship in the large group provided by our own Pathway volunteers!
- Digging deeper with small group leaders.
- Lunch is back! We will have a kid-friendly smorgasbord of food Monday through Thursday. Because we end at noon on Friday, we will not have lunch that day. Snacks will also be provided. All food at camp is chosen to avoid the most common food allergies. If your kid has a food allergy, please indicate that on the registration, and feel free to contact the directors at kids@pathwaychurch.com
- Games, prizes & more!
- Big Summer Give – our campers will have the opportunity to bring money to contribute to God's work.
- A safe environment to develop relationships with others and with Jesus.

Here are more important details:

- FUSE is located at Pathway Church, 2001 N. Maize Road
 - Monday through Thursday: begins at 9:00am and ends at 4:00pm (again, lunch provided these days!)
 - Friday: 9:00am to 12:00pm
- Your child will need to bring the following each day:
 - Bible
 - Water bottle with name on it
 - Wear your camp T-shirt and comfortable tennis shoes
 - Offering for the Big Summer Give

Safety first:

- Small groups are led by an adult or high school student who is passionate about sharing Jesus with children. Leaders will be with their groups the whole time.
- The group sizes adhere to a ratio of 1 adult per 10 children with at least 2 leaders in each group.
- Volunteers are never alone with one child, and each volunteer over the age of 18 is screened through an extensive background check.
- Parents/Caregivers MUST come into the building and present their digital claim tag for their child. Those without a claim tag will be directed to the Director's Table.
- A nurse will be in the building at all times.

FUSE Celebration: During regular weekend service times at each Pathway campus on Saturday and Sunday, June 22nd-23rd
