Can it really be May, our last month of preschool already? While we are looking forward to summer – the last month is bittersweet. We have developed relationships, created so many special memories, and experienced such growth and learning during the school year. It is sometimes difficult to say goodbye. We are very grateful that your preschooler has been at Kidslink during this school year! There are exciting days ahead as your child heads off to kindergarten, or we will look forward to having some of you return in the fall. Perhaps instead of goodbye – we will say until we see you again...

As we developed our Bible curriculum the following questions were taken into consideration..." What is the most important thing we can leave with our preschoolers?" What emphasis should we have at the end of the year?

As a staff we have decided that our last month's focus should be that "Jesus is with me wherever I go." It doesn't matter where our preschoolers go or what happens they have Jesus' promise from the Bible in Matthew 28:20, "I will be with you always."

Here is a sampling of some of the Bible stories that children will be learning about during May:

- Simon and his boat
- Jesus cooks breakfast for his friends
- The Lost Sheep
- Abraham travels and God is with him (Genesis 12:1-9)
- Fiery Furnace (Daniel 3)
- David & Goliath
- Baby Moses
- Jonah

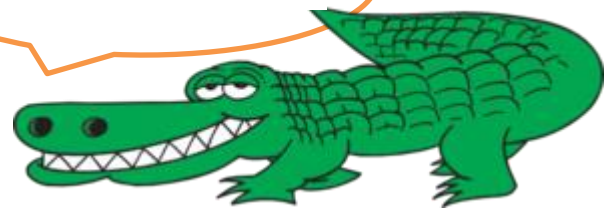

Our spiritual application focus will cover:

- Jesus is with me all day/every day/when I eat/when I play/when I sleep/all the time! (Jesus is with me in the ordinary, everyday type of experiences.)
- Jesus is also with me during special circumstances – when there are storms, when it's nighttime and it's dark, and when I'm alone.
- We don't have to be afraid because Jesus is there!

Some of you might remember an alligator song that we have sung in a previous Spring Program. It sums up some very important things that we want you all to remember as we say farewell at the end of the school year...:

- Don't forget to pray to God!
- Don't forget to love each other!
- Don't forget that God loves you!
- Don't forget that we love you, too!

"Goodbye, See you later!"
