HOW YOU CAN HELP

There are three ways families can help make the Big Weekend awesome:

1. **Be a Host Home**—We are looking for hospitable homes with space to host a small group of students for one night. Adults in host homes will be background checked.
2. **Be a driver**—Our different activities on Friday and Saturday require help transporting students. Having a large van or SUV isn't required but helps. All drivers must be at least 25 years old.
3. **Saturday Breakfast**—Nothing beats a home cooked meal, especially breakfast. We are asking families to help make waking up Saturday that much better by pitching in for their student's group.

If you'd like to help in anyway, let us know at students@pathwaychurch.com.
